

Accelerate My Deal

FLEXIBLE SHOPPING EXPERIENCES THAT DRIVE BUSINESS.

Drive more qualified, higher converting sales leads and higher gross profits by connecting with consumers as they begin the car buying process. With Accelerate My Deal, deals start right from your Digital Storefront, as you give consumers the flexibility to choose their preferred path-to-purchase, to self-educate, and initiate the car buying process—all while building trust and transparency from the outset.

Our next-generation digital retailing experience provides a seamless workflow for shoppers and retailers that saves time. Through guided navigation, the tool simplifies the sales process and drives more leads and conversions, resulting in faster deal-making and higher profits. With dedicated expertise and support, retailers are set up for success from day one and can easily incorporate these tools into their sales process.

Benefits

Next Generation Design. While the flexibility and conveniences of digital retailing are clear, smart design and a customer-first approach guide the overall experience, resulting in time savings for both the consumer and the dealer. Our new guided consumer workflow lets the shopper drive—and builds confidence and trust throughout the experience, delivering more transparency and control over the entire process.

Higher Engagement, Conversion, and Profits. Trusted by more than 7,000 franchise and independent retailers, and endorsed by more than 30 manufacturers, Accelerate My Deal provides shoppers with personalized shopping options that deliver high-quality engagements and lead to higher profits.

- **Higher Quality Visits:** Website Visitors who engage in digital retailing activity are 5x more likely to submit a lead, and they view 1.5 more VDPs and 5.5 more pages during their visit.¹
- **Stronger Lead Conversion:** Accelerate My Deal leads convert 46.4% more than other lead sources across dealer websites, Autotrader, and Kelley Blue Book combined.²
- **More Profit Per Deal:** Compared to non-Digital Retailing internet lead sources, Accelerate My Deal Leads produce 24.8% higher gross profit per deal.³

To fuel those profits, you need an intuitive, seamless experience that caters to all types of shoppers. The new workflow does just that, boosting lead conversion rates by 26% among retailers testing the new guided user experience, resulting in an 88% increase in leads submitted per retailer.⁴

Retailer Control and Customization. Easy-to-use management tools let you control every point of the online deal structure to align with your in-store operations, while improving efficiency.

1. Comparison of visits with vs. without digital retailing activities, Dealer.com hosted websites. Sessions with Digital Retailing activity, on average, visit 1.5 more VDP, 5.5 more pages, and are 5 times more likely to submit a form than sessions that view a VDP but to no have any Digital Retailing activity. Data from June through Dec 31, 2020. 2. Cox Automotive Product Analytics. Accelerate My Deal. Lead to Close Analysis using VinSolutions sales data. Accelerate My Deal leads saw 46.4% higher conversion than non-Cox Automotive Digital Retailing leads across AT/KBB and dealer websites combined. Data from Jan 1–Dec1, 2020. Analysis performed Jan 2021. 3. Cox Automotive Product Analytics. Accelerate My Deal Lead to Close Analysis using VinSolutions sales data for period beginning January 1 through Dec 1, 2020. Conversion Rate, Lead Per Conversion Rate, Lead Performance, and Lead Quality were studied across 120 participating dealerships during four 90-day Beta Testing Periods beginning May 4, 2020 and ending October 8, 2020. Performance differences were averaged and compared to all Digital Retailing subscribers using the legacy experience during the same time period.

Features

Start driving more qualified leads and sales that produce higher margins by building a transparent relationship with your customers at the start of their car buying process.

Actual Monthly Loan and Lease Payments. Feature incentive and rebate data. Shoppers self-select conditional programs (e.g. military and loyalty cash), and taxes and fees are adjusted based on zip code.

Self-Penciling Deal Terms. Quotes can be customized using OEM and dealer incentives, as well as applicable taxes and fees.

Trade Valuation. Capture trade-in details, provide trade-in price, and reduce friction of in-store trade negotiations with Kelley Blue Book, the industry's most trusted resource.

Price Offers. Give shoppers a sense of control by allowing them to send price offers based on actual monthly payments.

Online Finance Applications and Approvals. Capture consumer information and enable pre-qualification through a quick, easy, and secure process. F&I Offers. Feature F&I products online and allow consumers to see how these costs impact their monthly payments.

Deal Terms, Vehicle Reservations and Deposit. Display deal terms clearly and enable shoppers to self-close by accepting terms online. Reserve a vehicle with a credit card deposit. Schedule an appointment for a final close and pickup.

Remote Communication Tools. Assist shoppers through deals and boost your virtual car sales from anywhere via Text, Email, Video Chat or Cobrowsing capabilities. Shoppers can chat or share their screens as you guide them through the deal creation process.

Finalize the Deal. Seamlessly finalize the deal structure and credit application through integration with the Dealertrack F&I platform.

Dedicated, Strategic Support. Get up and running—faster—with dedicated boots-on-the-ground support. From virtual trainings and check-ins, your Performance Manager ensures you are set up for success. They'll work with you on deal-making strategies that help drive more sales including:

- How to work the tool into your sales process and set new goals.
- Building out marketing strategies to get the word out.
- Working best practices into your workflow to increase profits.
