

Win *every lead* and drive repeat business.

Podium's all-in-one lead management and communication platform delivers a seamless customer experience across all channels.

With Podium, you will:

- + Route all of your leads into one inbox, no matter where they came from, so you never miss a lead again.
- + Convert more leads into paying customers by responding faster than your competition, with your always-on AI Employee.
- + Keep customers coming back with personalized text marketing, convenient payment options, and AI automations.

New lead — WordPress

Do you have the black 2024 Nissan Rogue SL in stock? If so can I test drive it tomorrow at 5pm?

Hi Adrianna, this is Jerry from Aspen Auto. We do have a few of that make, model and color in stock. I've let our sales team know you'll be stopping by for a test drive tomorrow at 5pm.

Perfect! Thank you.

"It's just incredible what our partnership in Podium has done to modernize our dealerships. Not only is it simple for my sales and service staff to communicate with customers, but it's just as easy for the customer to receive direct links to all of our review sites and not have to go out and try to find them."
